

Adding Pop-up Blocker Exceptions

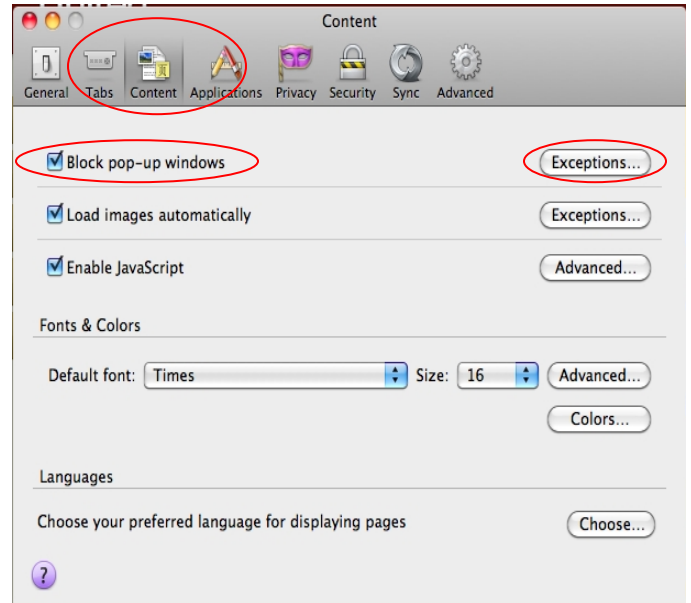

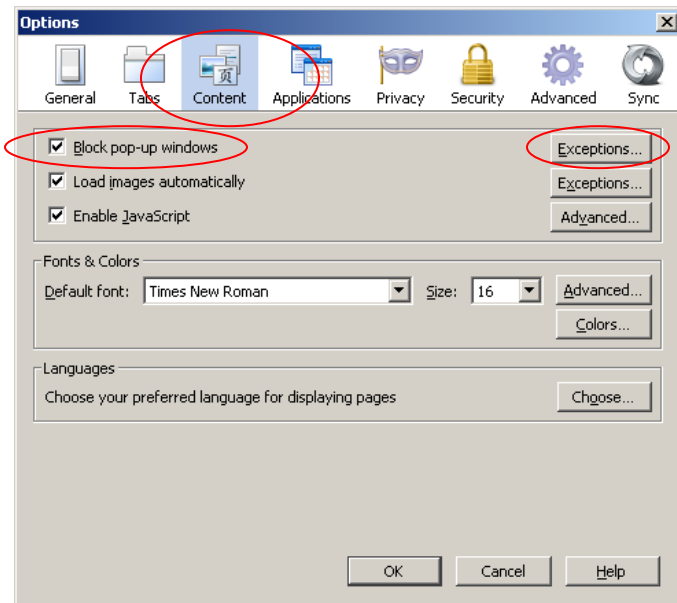

Firefox 3.0 - 3.6 (Windows and Mac OS X)

1. Click on Tools (Windows) or Firefox (Mac) select **Options** (Windows) or **Preferences** (Mac).

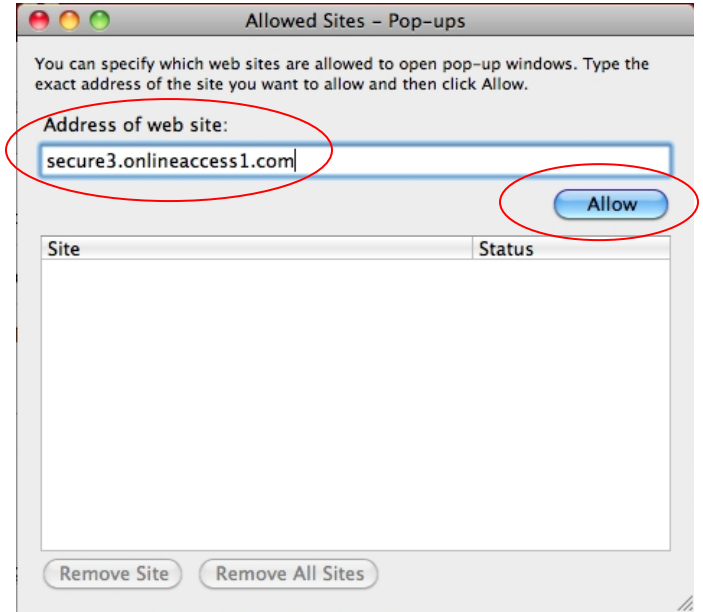

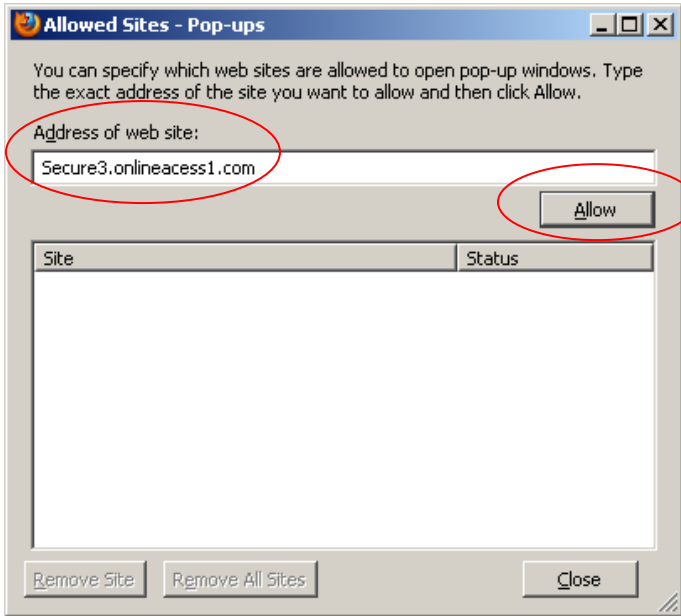

2. Click on the **Content** tab. Verify the checkbox to the left of **Block pop-up windows** is selected.
3. Click on the **Exceptions** button to the right of **Block pop-up windows**.

Adding Pop-up Blocker Exceptions

1. In the **Allowed Sites – Pop-ups** dialog box type **secure3.unitedfcu.com** in the **Address of web site** field and click on **Allow**.

1. Repeat step 4, adding **statements.unitedfcu.com**.
2. Once both exceptions are showing in the sites box click on the **Close** button (Windows) or the **red X** (Mac).
