not available to you, you acknowledge that you can deposit your check at a branch office location, through a participating ATM, or by mail.

### **Charges or Fees**

We may charge a usage fee for each mobile deposit made into an eligible account using the Service, as disclosed on our applicable fee schedule in effect at the time of the deposit. You understand and agree that your consent authorizes us or our authorized agent to contact you using autodialed or prerecorded calls and text messages.**

### **Eligible Items**

Subject to exclusions described elsewhere in this agreement, you agree to scan and deposit only "checks" as that term is defined in Federal Reserve Regulation CC, Availability of Funds and Collection of Checks. You agree that you will not use the Service to scan and deposit any ineligible item. Ineligible items include, but are not limited to, the following:

- Checks payable to any person or entity other than you;

## **Endorsement Requirements**

You agree to endorse all items with your signature and print "For eDeposit Only at UFCU" on all items. We reserve the right to reject all items that are not endorsed as specified.

When using the Service to deposit funds, each mobile deposit is limited to \$5,000 per check.

## **Receipt of Items**

We are not liable for items we do not receive or for images that are not transmitted completely.

An image is considered received when the status of the item is "Accepted" and the description of the item is "Submitted and Pending Review". However, such status and description of the item does not mean that the transmission was without error. Once an item is reviewed and approved, the status of the item is "Accepted" and the description of the item is "Your check has been accepted and processed".

All items shall be considered transmitted from and received in St. Joseph, Michigan, regardless of your physical location when an item is transmitted or received.

## **Right to Reject Items**

We reserve the right to reject any item transmitted through the Service, at our discretion. This right is without limitation, subject to applicable law, and includes, but is not limited to, the right to reject any item whether or not the status of the item is "Accepted" or the item has been received, reviewed, approved, or processed. If we reject an item, you agree that we may charge back the amount of the item to the account to which the check was originally deposited. If there are not sufficient available funds in your account to cover the amount of the item, the account will be overdrawn and you will be responsible for payment; you may also be assessed an overdraft fee in the amount shown on our current Fee Schedule. You agree that we may debit any account maintained by you in order to obtain payment of your obligations under this agreement.

## **Cut-Off Time**

The Cut-Off Time is 8:00 PM EST.

The Cut-Off Time is determined by the time displayed on our internal system clocks and may not necessarily be synchronized with the internal clock displayed on your Compatible Mobile Device. For this

reason, we suggest that you transmit an item for mobile deposit to us sufficiently in advance of any Cut-Off Time to eliminate the possibility of missing the cutoff.

### **Provisional Credit and Availability of Funds**

Below is our general funds availability policy for the Service:

If an item is transmitted before the Cut-Off Time:

- Up to \$200.00 is available when the item has been reviewed and approved, which occurs when the status of the item is "Accepted" and the description of the item is "Your check has been accepted and processed"; and
- Anything greater than \$200.00 but less than or equal to \$5,000.00 is available on the second (2) Business Day after the item has been reviewed and approved.

If you are a new member, the following special rules will apply during the first 30 days your account(s) is open.

If an item is transmitted before the Cut-Off Time:

- \$0.00 is available when the item has been reviewed and approved, which occurs when the status of the item is "Accepted" and the description of the item is "Your check has been accepted and processed"; and
- Anything greater than \$0.00 but less than or equal to \$5,000.00 is available on the seventh (7) Business Day after the item has been reviewed and approved.

An item transmitted after the Cut-Off Time will be treated as having been transmitted the next calendar day and will not be received earlier than the next calendar day.

Credit given for the item is provisional and subject to final approval of the item. Funds you deposit may be delayed for a longer period of time when we have reasonable cause to believe the check is uncollectable. We will notify you if we delay your ability to withdraw funds beyond the general funds availability policy, and we will tell you the time period within which the funds will be available for withdrawal. You agree to receive all notifications regarding your use of the Service including, but not limited to, exception notices as may be required by Regulation CC via electronic message or, in our sole discretion, by mail. With respect to each item you send to us for deposit, you agree to indemnify and reimburse us for and hold us harmless from and against any and all losses, costs, and expenses.

### **Method of Presentment**

The manner in which items are cleared, presented for payment, and collected shall be in our sole discretion. You agree to be bound by any clearinghouse agreements, operating circulars, and image exchange agreements to which we are a party.

### **Retention and Disposal of Items**

You agree to retain each item no fewer than 120 days after your funds have been posted to your account. Upon receipt of these funds, you agree to mark the items prominently as "Void" and to dispose of the item(s) in a way that prevents representing for payment. You agree to store each retained item in

a secured locked container until such proper disposal is performed. You will promptly provide any retained item to us as requested to aid in the clearing and collection process or to resolve claims by third parties with respect to any item.

### **Statements**

Your mobile deposits made using the Service will be included on the periodic statements we provide or make accessible to you for your account(s) with us. We may also provide or make accessible to you statement information electronically or by some other means. You agree to notify us promptly if you change your mailing address, your e-mail address or if you believe there are any errors or unauthorized transactions on any statement or in any statement information.

### **Errors or Discrepancies**

Notify us at 1-888-982-1400 as soon as possible if you believe your statement is incorrect or if you need more information about a transaction listed on the statement. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem appeared. Tell us your name and account number. Describe the error or transaction you are unsure about, and explain as clearly as you can why you believe it is an error and why you need more information. Tell us the dollar amount of the suspected error.

If you do not notify us within 60 days from the date your statement was sent to you, you may not be compensated for any losses.

### **Security Requirements**

To prevent unauthorized usage of the Service, you agree to ensure the security of the Compatible Mobile Device(s) you own and use to access the Service. Securing these devices includes without limitation installing operating system patches, antivirus software, firewall and malware detection as applicable, keeping this security software current, and securing the physical device from theft or unauthorized use. You agree to provide additional information regarding your security measures upon request.

You agree to comply with all of our present and future security procedures for the Service covered by this agreement. This includes, but is not limited to, protection of Access Codes and other personal information. If you permit any other person or entity to use the Service or to access or use your Access Codes or other means to access your account(s), you are responsible for any transactions and activities performed on your account(s) and for any use of your personal and account information by such person or entity. If you believe someone may attempt to use your Access Codes or other means to access your account(s) without your permission, or that any other unauthorized use or security breach has occurred, you agree to immediately notify us at 1-888-982-1400. We may at our option change the parameters for the Access Codes without prior notice to you.

You agree that our current security procedures are commercially reasonable. We may advise you of changes to the security procedures to the extent they affect your use of the Service, but failure to do so will not affect your obligations or our rights. You agree to give all of our security procedures the highest level of confidentiality and to ensure that no Access Codes are used by or accessible to anyone other than persons you have authorized.

Notwithstanding any security procedure which may from time to time be in effect for detecting errors in transactions covered by this agreement, we have no duty to discover or report to you any such errors. Neither shall we be liable to you for the failure of such security procedure to detect such errors, regardless of the manner in which we apply such security procedures.
